Step-by-step to Success!

Step #1 [On-boarding Video](#)

Start by watching this **two minute** on-boarding video with visuals of the steps below!

Step #2 [To the portal!](#)

Log in using the custom link emailed to you or reset your password in the portal!

Step #3

Get the keys to your event by purchasing/activating your licenses

Step #4

Finish your tasks by building out the app and assigning licenses

Step #5

Enjoy the event and return to the portal, as needed, to check out reports, KPIs and more!

Welcome to the Fetch Portal!

Exhibitors will login to purchase and assign licenses, complete tasks, and create their personalized app experience. In addition, they can view event-specific KPIs and download all leads.

Seamless Event Onboarding

From the initial profile creation to the purchasing and assignment of licenses.

Useful KPIs

Our event dashboard provides critical event KPIs that keep you abreast of your team's activity during the event.

Security First

Multi-factor authentication (MFA) is embedded in our portal and app, to wrap your leads in a safety blanket of security!

Event Communication

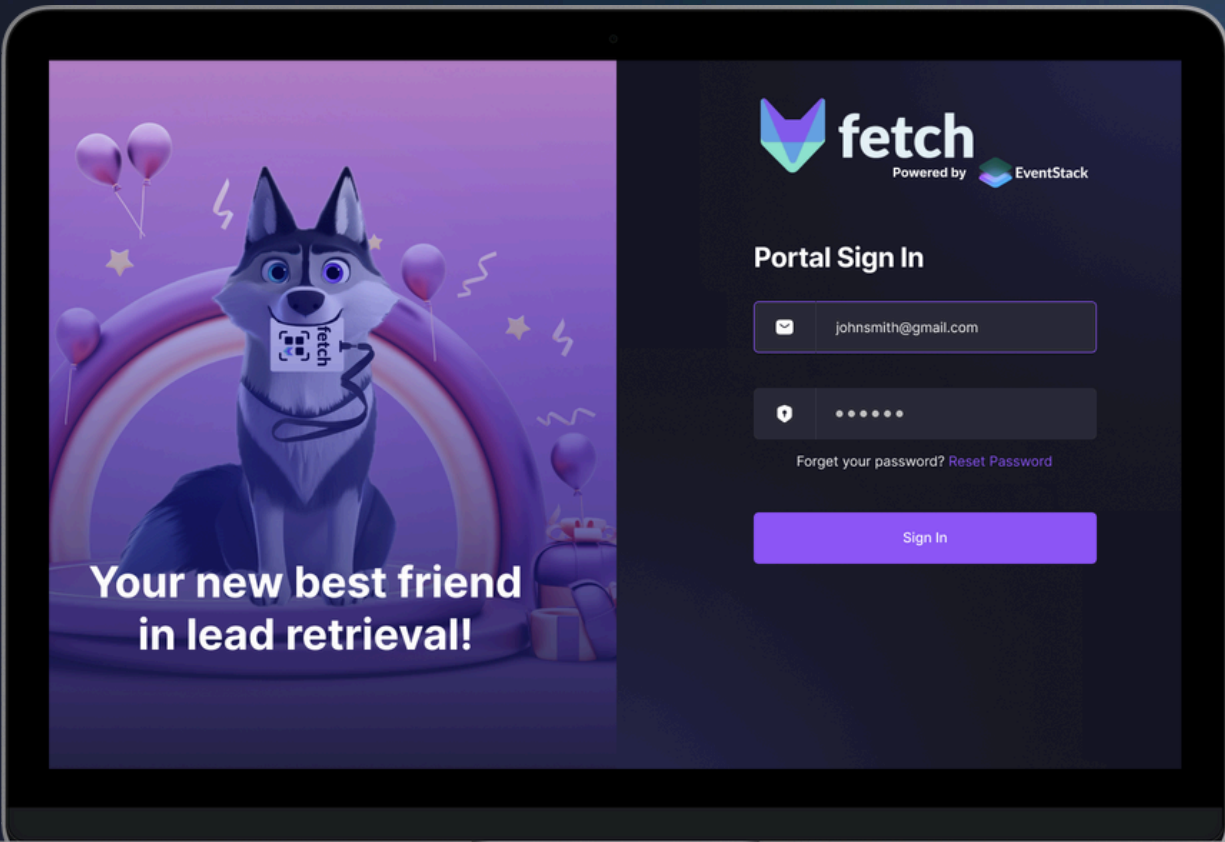

Each assigned staff/user will receive an invitation to our app, as well as our personalized Know Before You Go email.

And More!

- Tasklists
- App Customization
- Rental Devices
- Reporting
- and more!

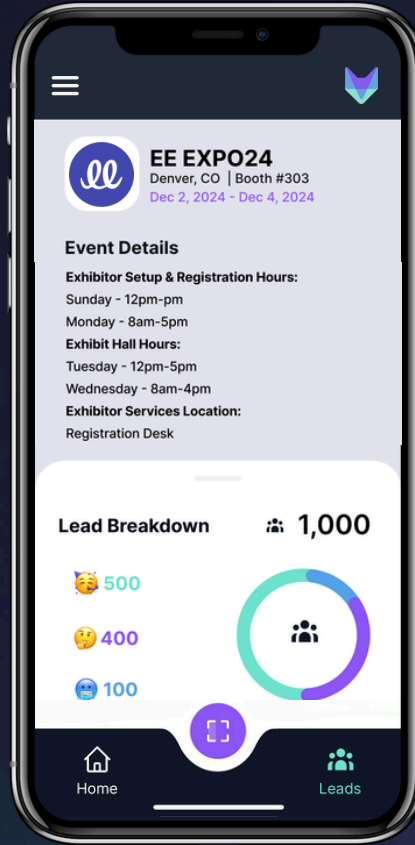

Your new best friend in lead retrieval!

Our app allows you to customize your leads in a simple, user-friendly way. You'll have your leads at your fingertips in real-time.
